FOR IMMEDIATE RELEASE

Jarra Underwood, Deputy Registrar, Wooster License Bureau

On March 18th, 2020, Registrar Charles Norman closed all deputy registrar offices throughout the state of Ohio to public business. Certain non-public limited operation transactions, including fleet work and auto dealer business, are still being transacted at the Wooster License Bureau, located at 200 Vanover Street, Wooster, Ohio 44692.

If you have a fleet that is due for renewal, or if you are an automobile dealership needing assistance, you may call the Wooster License Bureau at 330-264-5235 for instructions on completing these non-public transactions.

In the meantime, thank you for your understanding and your continued support. We look forward to returning to full operation as soon as it is deemed safe by the governor. Please stay safe during this unprecedented and difficult time.
